The John Briggs Lecture

John Briggs was a Canterbury solicitor who left a generous bequest to the Friends of Kent Churches. In his memory the Friends sponsor an annual talk in a Kent parish church. All profits from the lecture go towards the host church's restoration.

The Friends of Kent Churches

The Friends of Kent Churches was set up in 1949 to help preserve Kent's churches. Many of Kent's churches (including St. Mary the Virgin, Nettlestead) have benefitted through the annual Ride & Stride and grants of over £730.000 have been paid to churches in the past 5 years.
